Personal Self Management Skills

General Social Skills

WELCOME

ICARS & CLSC

Life Skills Training is an internationally recognized, evidence-based program that supports the decrease of risky behaviors such as substance use and other social ills. Hence, it is suitable for both prevention and treatment related personnel.

ICARS sets the professional standard of competency for those providing recovery support services to clients relating to substance use disorders. Sessions include understanding addiction, mechanism of addiction in the brain, roles and responsibilities of Recovery Specialists, ethics, case management, crisis support, stigma, recovery enhancement skills, motivation to change and recovery management.

International Certified Addiction Recovery Specialist (ICARS)

Who should attend: Addiction Practitioners, Mental Health Staff, Counselors, Social Workers, Drug Rehab Staff, school counsellors and concerned others who have lived experience in substance use disorders

NEWS & EVENT Updates

Virtual Graduation – Emeritus Addiction Studies

A Virtual Graduation Ceremony was conducted on 29th October 2021 via Zoom platform to celebrate the completion of studies for Executive Programmes students under one of AMU dynamic partners, Emeritus Addiction Studies (Emeritus). Emeritus is an organisation established to provide professional education, training, and consultative services in the field of addiction prevention and treatment of substance use disorders. In the process of enabling thousands of working addiction and allied health practitioners in the field to continue learning and updating themselves, Emeritus also implements university certification courses to satisfy the thirst of knowledge and enhance the skills of the addiction workforce.

The virtual ceremony started at 3.30 pm with a welcome speech by the Emeritus Director, Mr Tay Bian How. The event was then being officiated by the AMU Vice Chancellor, Prof. Dr. Mohamad Khan Jamal Khan which then announcing the conferment of graduation. The scrolls were presented online to all the graduates upon conferment of graduation was announced.

A total of 20 graduates attended the session and they were coming from three different addiction programmes namely Executive Diploma in Addiction Studies - EDAS (1), Executive Master in Addiction Science – EMAS (11) and Executive Post Graduate Diploma in Addiction Studies (8). As an internationally known institute, the students and graduates from Emeritus were coming from many different countries besides Malaysia including Singapore, Indonesia, Philippines, Maldives, Sri Lanka, and England.
